Subject: Flynn v. Liberty Northwest; 2000-0222

Jackie;

Thanks for the reminder. Last Thursday afternoon Larry provided me with several pages of significant information which I have yet to fully digest. He provided the names, contact information, dates of injury, etc., of 32 claimants for which Liberty took an SSDI offset, and the names of some other claimants for which Liberty affiliates took an SSDI offset. With the information which Larry provided, I can now do some cross checking that will help to verify the results of these insurers search for claimants who may be affected by the Flynn/Miller common fund.

Considering my schedule, and the amount of information I need to comb through, I propose that Larry and I submit a status report to the court the
